Akhtar Ansari

Full Stack Web Developer

PROFESSIONAL SUMMARY

I am a seasoned Full Stack Web Developer and Manual Quality Analyst with 8 years in the dynamic hospitality industry across India and Saudi Arabia. Proficient in Java and React, I bring a comprehensive skill set to the table. Additionally, my expertise extends to incorporating cutting-edge technologies such as Generative AI. Meticulous in manual testing, I ensure the highest quality in solo and collaborative projects, delivering innovative and user-friendly web solutions.
